

**CONNECTING YOUTH
TO SERVICES**

IF YOU OR ANYONE YOU KNOW NEED SUPPORT, ADVICE OR TREATMENT FOR SUBSTANCE USE

Here are some organizations that can help you out:

Skoun, Lebanese Addictions Center, an NGO that supports young people through advice, treatment, and information to promote health and wellbeing.

SIDC, an NGO that offers treatment, harm reduction, and prevention services for substance use and sexual health (through its center Escale) aiming at helping people adopt healthy behaviors and realize their potential.

"Remember that reaching out doesn't mean someone is committing to treatment"...
